Call for Papers

The deadline for abstract submission is Dec. 18, 2026.

The submitted papers will be organized for presentation and discussion in topical sessions, as is standard for the UNITECR Congress. Speakers will be notified of the acceptance or rejection of their papers by end of January 2027.

UNITECR strongly encourages speakers to make their presentation using computer projection equipment, which the congress organizers will provide in each session room.

The speakers are responsible for their own costs and expenses.

Please note papers must be submitted in English and electronically.
